Re: SC Solar Business Alliance, Incorporated's Comments on the Final Report Issued by the Commission's Consultant, Power Advisory, LLC pursuant to Order No. 2019-107-H.

Dear Chairman Randall:

On September 19, 2019, the Public Service Commission of South Carolina ("Commission") issued Hearing Examiner Directive Order No. 2019-107-H in Docket Nos. 2019-185-E and 2019-186-E which grants parties the opportunity to comment on the Final Report ("Report") issued by the Commission's consultant, Power Advisory, LLC ("Power Advisory" or "expert") by 12:00 p.m., November 8, 2019.

The SC Solar Business Alliance, Inc. ("SCSBA") does not intend to file comments on the Power Advisory report at this time. To the extent SCSBA meaningfully disagrees with the expert's analysis or conclusions, those will be addressed in SCSBA's proposed orders. The SCSBA does, however, believe that the report was completed impartially and the expert was diligent in the discharge of their duties. We believe the Report complies with the requirements of the Energy Freedom Act.

SCSBA would like to thank Power Advisory for their diligent and thorough work, especially given the short timeframe for this docket. Transparency, fairness, the state's policy of encouraging renewable energy, and ratepayer protection have all been assisted by the work of Power Advisory.

Very best regards,

Chairman Comer H. "Randy" Randall
